## POLICY ADDENDUM: SAME DAY PAY DISCOUNT

### PREVIOUS POLICY

"Patients who do not have insurance will be charged for both their exam and refraction, but can be offered a same day payment discount of 20%."

### REASON FOR ADDENDUM

The previous policy wordage concerning the same day pay discount is not specific enough nor does it define the parameters of who may take advantage of same-day-pay discount

### NEW POLICY

#### ELIGIBILITY FOR DISCOUNT

All patients regardless of insurance or coverage is eligible for a same-day-pay (SDP) discount. This discount is offered to any patient who pays for all vision services in full on the same day that services are rendered.

#### SERVICES AVAILABLE TO BE DISCOUNTED

Refraction Codes: 92015  
Contacts Exam Codes: 92310  
Vision Exam Codes: 9200X/9201X

#### SERVICES EXCLUDED FROM DISCOUNT

Includes but are not limited to:

MEDICAL CODES: 9921X  
DIAGNOSTICS: OCT Testing, Humphrey Visual Fields, Vision Therapy Services,  
Optomap, iwllness, etc

All materials such as glasses and/or contacts

#### EXAMPLES

- A patient who chooses to use their insurance coverage for vision services does not pay for all services in full on the same day as services rendered; therefore, the patient does not qualify for the SDP discount. Any splitting for service fees will not qualify for discount.
  - A patient who wants to pay for the exam today but the contacts fitting on a different day **does not** qualify for a discount.
  - A patient who has insurance benefits for materials, but no exam coverage elects to pay for the exam completely out of pocket for services and uses their insurance for the glasses. This patient **does** qualify for a discount on the services only.
  - A patient who uses their Medicaid benefits for their exam, but must pay for contact lens fitting out of pocket. This patient **does not** qualify because they are not paying for all the services rendered on the same day.
